TODAY'S TIPS

SAFETY AT SEA

You will find raised thresholds in your stateroom. Watch your step when entering and exiting your bathroom and shower. Do not open your balcony door and stateroom door at the same time. In some circumstances, strong winds and internal air pressure can cause the main stateroom door to close abruptly. Please be aware of your surroundings while on open decks and exercise caution while walking in areas that are or may become wet.

CAMP AT SEA

For the health and safety of our junior cruisers, our program hours have been updated. Registration is required and limited for our Camp at Sea program. Please speak to the Camp at Sea Team for more information.
