## NORTH END HALIFAX: WHERE TRENDY VIBES MEET CHIC RESTAURANTS AND NIGHTLIFE.

This region is steeped in 250+ years of history. During the Halifax Explosion many parts of the North End were destroyed. This brought the development of iconic neighbourhoods such as the Hydrostone, which now serves as a hip market with boutique shops and restaurants. Once the city's theatre district, Gottingen and Agricola now form one of Halifax's trendiest neighbourhoods complete with live music venues, local bars and some of Halifax's best restaurants. This area is also where civil rights pioneer, Viola Desmond (the face of the new Canadian \$10 bill) lived and worked.

## DOWNTOWN DARTMOUTH: AN URBAN CENTRE BEYOND THE HARBOUR.

Over the past few years, Downtown Dartmouth has grown into a vibrant community with top-notch cafes, gourmet restaurants, chic shops, fabulous lunch spots, unique galleries, and an overall plethora of amazing things to do. Dartmouth was named one of Canada's hippest neighbourhoods in 2017 and has become a food and drink lover's paradise. Hop on the ferry and explore Downtown Dartmouth by foot. Even better, there are parks and scenic activities right downtown. You haven't seen the Halifax Harbour until you've seen it from both sides.
