HOONAH CANNERY

WILDERNESS LANDING

For the health of our guests and the safety of our historic buildings, Icy Strait Point is a designated non-smoking property.

All trails, paths, roads, boardwalks, docks, buildings, and open spaces are non-smoking. We provide select designated smoking areas. Please smoke only within 10' of our yellow butt cans.

THINK SAFETY:
Please take care when walking around Icy Strait Point as some surfaces may be slippery, especially logs, roots, and rocks.

BE BEAR AWARE:
Please walk in groups and make noise while on our nature trails. If you encounter a bear, stay together, make lots of noise, and slowly move away. Do not run. Alert Icy Strait Point staff as soon as possible.

CLIFF AREA:
Stay on designated roads and trails at all times. Exiting roads and designated trails is considered trespassing. Risks include bears, falls from cliffs, and becoming lost.

This facility is locally owned by Huna Totem Corporation and its over 1,550 Alaska Native Shareholders.
