## MAKE NEW FRIENDS IN SITKA

Sitka, one of the earliest European settlements in the Alaskan territory, is located on Baranof Island. Sitka is the first and oldest city in Alaska and some sources say it is 10,000 years old. It's a fairly isolated community, accessible only by plane or ship. The City and Borough of Sitka, encompasses 4,710 square miles, making it the largest city in the United States. Sitka was the site of the signing of the Alaska purchase on October 18th, 1867. Sitka was settled by the local indigenous Alaska natives more than 10,000 years ago. The Russians in their expansion of the West coast of North America settled in Sitka in the early 1800's and made Sitka the Capital of Russian America. There are still sights of the early Russian period of Sitka's history as evidenced by St. Michaels Russian Orthodox Cathedral in the middle of the town area.

**TIME CHANGE:** Did you remember to turn your clocks one hour back last night (Sunday into Monday)?
