THE RAZZLE DAZZLE

During World War I, attempts to camouflage ships at sea had failed, as the appearance of the sea and sky are always changing. British artist and naval officer Norman Wilkinson promoted a new camouflage scheme. Instead of trying to conceal the ship, it simply broke up its lines and made it more difficult for the U-boat captain to determine the ship's course. This camouflage scheme was referred to as Razzle Dazzle. **Can you spot our hidden dazzle?**
